MARKET CENTRAL VOTED BEST ON-CAMPUS EATERY!

Best On-Campus Eatery: Market Central

“Perhaps it was long overdue, but students don’t seem to be missing Eddie’s. (Some of us may miss the Marketplace, but only nostalgically.) Pitt’s revamp of Sodexo’s food services under the Litchfield Tower’s seems to be exactly what students living on campus have been longing for. While Taco Bell and Pasta Plus seem to be the favorites, the overall sentiment is that students are glad to have more selection and improved quality.”

Runner up: Cathedral Cafe
