HOW DO I USE THIS BOOKLET?

This rider's guide contains the routes that the University of Pittsburgh operates through the University's Department of Parking, Transportation, and Services for the safety and convenience of Pitt students, faculty, and staff during the fall and spring terms. The fall and spring routes are in effect from August 19, 2019, through May 1, 2020. If you need additional help, all of our drivers will be happy to provide assistance.

WHAT TIME DOES THE BUS ARRIVE AT MY STOP?

Check the times and locations of the key stops that come before and after your stop. If your stop is halfway between a 10:25 stop and a 10:35 stop, you can expect the shuttle to arrive at 10:30. Please note that some stops are very close together in both distance and time. In these cases, it is a good idea to look at the time of the key stop that comes right before your own stop and be at your stop at that time. It is a good idea to wave down the bus so the driver knows you want to board the bus or shuttle. Buses will not stop at bus stops if there are no riders waiting to board or depart the bus.

ARE BUSES EQUIPPED WITH GPS?

Please log onto www.pittshuttle.com from any desktop or www.pittshuttle.m from any mobile device. Select a route and the estimated time of arrival will appear for each timed stop. iPhone and Android apps are available.

WHEN DO THE BUSES OPERATE?

In general, the buses and shuttles operate on weekdays, and on reduced schedules during the weekends and days when the shuttle system operates on a holiday schedule during the fall and spring terms. Please note: buses, shuttles, and SafeRider will not operate during Thanksgiving break, winter recess, and spring break. Please refer to the operating calendar on page 2 for further operating details.

IS TRANSPORTATION PROVIDED FOR THE DISABLED?

For passengers with disabilities, the University operates a van with a wheelchair lift between 7 a.m. through 7 p.m. Monday through Friday. When classes are in session during the fall and spring terms, contact Disability Resources and Services at 412-648-7890 to schedule a ride. Service is also available on the weekends after 7 p.m. by calling SafeRider at 412-648-CALL (2255). In addition, the University operates buses and shuttles with wheelchair lifts on the following routes: 10A and 10B Upper Campus; 20A and 20B North Oakland; 25A; 30A, 30B, and 30C South Oakland; 40A; and BSP2.

WILL THE BUS DRIVER STOP AT STOPS NOT LISTED?

The bus driver will stop only at the stops listed for each route during the daylight hours. After **7 p.m.**, the driver **may stop** at locations other than the listed stops, upon your request, as long as the driver determines that it is safe. You must make your request at least one block before the desired stop. Note that this service is for drop-off only, not pickup.

AM I ALLOWED TO BRING A BIKE ON THE BUSES AND SHUTTLES?

The University does not permit riders to bring their bikes onto the buses and shuttles, however the larger buses are equipped with bike racks.

GENERAL INFORMATION

YOUR SAFETY IS OUR MAIN CONCERN

The University of Pittsburgh bus drivers take pride in operating the buses in a safe manner. You can help prevent injury by following these safety tips:

- Stay back from the curb until the bus comes to a complete stop.
- Cross the street BEHIND the bus. This helps you to see and be seen by other motorists.
- Do not walk between two stopped buses. The buses sometimes roll back slightly when the brakes are released.
- When driving a vehicle, DO NOT pass a stopped bus unless you are in a passing zone.
- If you ride a bicycle or skateboard or rollerblade on campus, do not hang on to the rear of a bus or follow the bus too closely. The bus may stop unexpectedly.

SAFERIDER 412-648-CALL (2255)

A nighttime shuttle service called SafeRider is available during the evening and early morning hours to transport you from one campus building to another, from local residences to campus buildings, and from campus buildings to local residences. SafeRider will only transport you if a convenient campus shuttle is not available. SafeRider operates during the following hours:

Sunday–Wednesday and Holidays: 7 p.m.–3 a.m.
Thursday–Saturday: 7 p.m.–5 a.m.

For service, call the dispatcher at 412-648-CALL (2255) during these times. All students, staff, and faculty are permitted 25 rides per term. Please consult the SafeRider brochure for additional information concerning policies and procedures.

WHILE YOU ARE ON THE BUSES AND SHUTTLES, PLEASE OBSERVE THE FOLLOWING:

- No open containers of food or beverage.
- No pets.
- No smoking.
- On-request drop-off may be honored only after 7 p.m.
- Do not obstruct the driver's vision.
- Remain behind the white line while the bus is moving.
- Please note that the bus will not stop and open the doors for you once it has left the curb.
