### MEAL PLAN GUIDE

#### A MEAL PLAN JUST FOR YOU

We offer meal plans designed to fit every lifestyle. Dining Passes provide your choice of a set amount of entries to dine-in at Market Central or The Perch at Sutherland, and Dining Dollars can be used at any of our on-campus dining facilities.

#### HOW DO I CHOOSE A MEAL PLAN?

Choose your plan according to your needs. We offer a tiered meal plan system with many levels to choose from. You can customize the plan to suit both your appetite and budget. How many meals will you eat on campus each week? How many meals will be in Market Central or The Perch at Sutherland? How many meals will be at other dining facilities on campus? How many snacks and beverages will you consume on the go?

\*The meal plan calculator below can be used as a guide to determine your meal plan needs.

Estimate of Meals in Market Central or The Perch at Sutherland	Example	Your Calculation
1. # breakfasts per week x 1 Dining Pass =	3	
2. # lunches per week x 1 Dining Pass =	4	
3. # dinners per week x 1 Dining Pass =	5	
4. Total meals per week (add lines 1-3) =	12	
5. Multiply total from line 4 x 15 (weeks per term).  This is the estimated number of Dining Passes needed per term =	180	

Estimate of Dining Dollars Spending	Example	Your Calculation
1. \$ spent per week on coffee, snacks, etc. =	\$10.50	
2. \$ spent per week on convenience store items to take back to your housing =	\$13.00	
3. \$ spent per week on meals other than in Market Central and The Perch =	\$19.00	
4. Total \$ spent on meals per week (add lines 1–3) $=$	\$42.50	
5. Multiply total from line 4 x 15 (weeks per term).  This is the estimated number of Dining Dollars	\$637.50	

Based on the example above, you might select Tier 1, Plan B, which offers 180 Dining Passes and \$625 Dining Dollars.
