Welcome Back Panthers!

We are so excited to have you back on campus for the spring semester! Please refer to this sheet for a listing of dining options on campus and their hours of operation during Welcome Weekend. Regular spring hours begin Monday, January 9th. Please visit dineoncampus.com/pitt for more dining related information.

Dining On Campus

Students are welcome to dine-in or take-to-go at any of the on-campus dining locations. The Eatery and The Perch both offer green reusable containers to take food-to-go. Every resident student receives one free container on their Pitt ID card. Please see cashier when entering the dining location to redeem your first container. Additional containers can be purchased at The Eatery or The Perch for \$5. Used containers can be dropped off at any Choose to Reuse machine on campus. For safety, guests are not allowed to bring in their own personal containers. All other locations offer compostable containers for take-out.
