PANTHER *card*

THE ONLY CARD YOU NEED ON CAMPUS

Your Panther Card is the only card you need on campus.
It's your room key, payment card, and a whole lot more.

Your Panther Card is a key feature of campus security.
Your photograph on the card identifies you as a member of the Pitt community and ensures that no one else can use your card to access University facilities and services.

Panther Funds are pre-paid funds you can easily add to your Panther Card to make purchases on and off campus. To learn more, visit: www.pc.pitt.edu/panther-card/panther-funds
