Cable Television

High definition Comcast digital cable television, including basic channels, is provided in each bed-room in every on-campus accommodation and in the living areas of suites and apartments.

If you are planning to bring a television to campus, your television must be equipped with a QAM or Clear QAM digital tuner in order to be compatible with the Comcast digital cable provided on campus. You will need to check your owner's manual and/or the manufacturer's website to determine if your TV is equipped with the QAM or Clear QAM digital tuner. If you determine that your TV is not equipped with the QAM or Clear QAM tuner, you will need to purchase a digital converter box from your local electronics vendor.

Telephone

Telephones are available in the hallway of each building, rather than in individual rooms.

Panther Card

Your Panther Card is the only card you need on campus.

Use your Panther Card to:

- Access your housing accommodation and meal plan.
- Borrow books from the library.

- Access computer labs and fitness centers.
- Ride fare-free on and off campus on buses and shuttles.
- Get free or discounted admission to some of Pittsburgh's most popular attractions.
- Use as a "stored value" card to make purchases. You can even use Panther Funds in campus laundry, vending, and copy machines. Panther Funds also are accepted at more than 40 off-campus merchants, such as restaurants, grocery, and drug stores.
