UPGRADES AND FEATURES

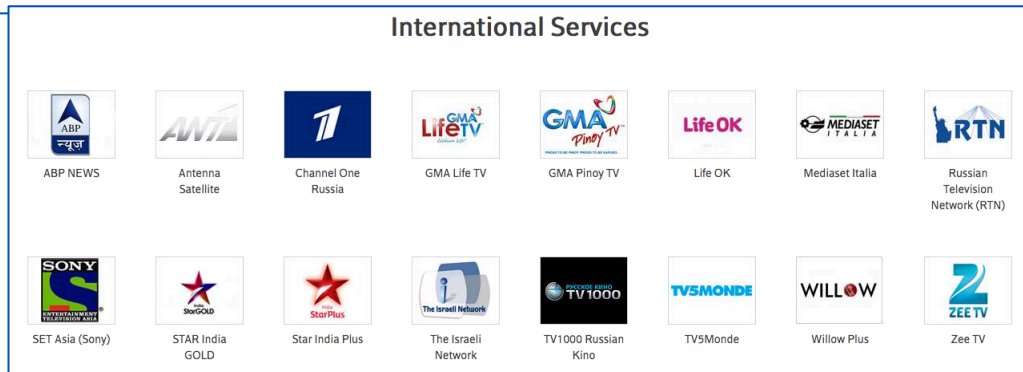

PREMIUM CONTENT UPGRADES

The **Upgrade** button on the Storefront lets students purchase premium services like HBO, Starz and Digital Preferred content at a no-contract monthly fee to their credit cards.

Students who purchase premium content are notified via email for the following reasons:

- Order made
- Change in Payment instrument
- Subscription renewal failure
- Subscription Cancellation
- Subscription Credit Card Expiration warning
- **Subscription Auto Renewal reminder**

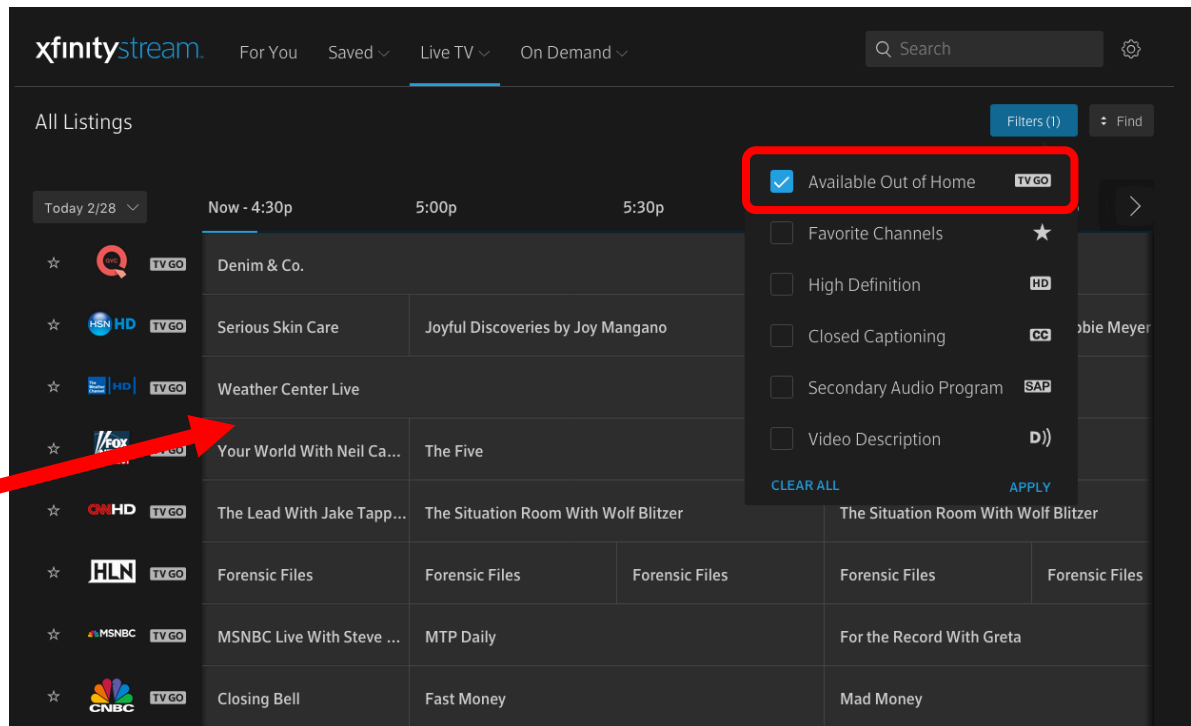

TV GO

What is TV GO?

- TV Go channels allow students to log in to the [XFINITY Stream Portal](#) and choose a select number of channels that are available for viewing while not connected to your campus network.

In the upper right corner, choose the **Filter** tab and then select **“Available Out of Home”** to see a list of all available live channels for streaming off network. You can recognize TV Go Channels from regular Live TV by the **lighter grey background**.

When available, movies or shows in On Demand with TV Go versions will be listed along side the On Demand versions.

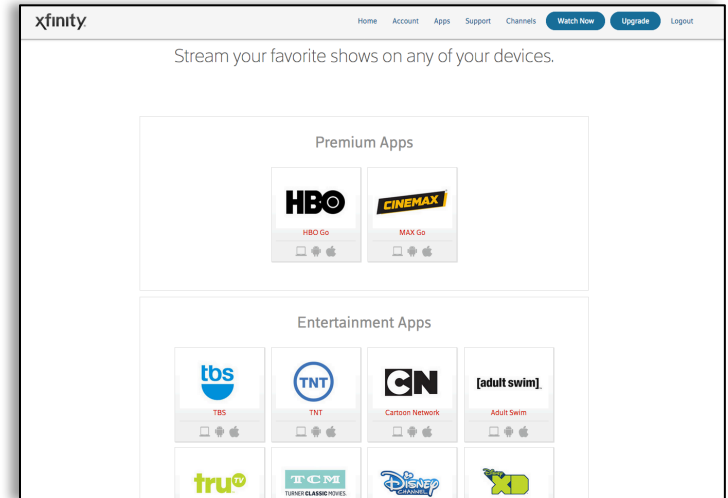

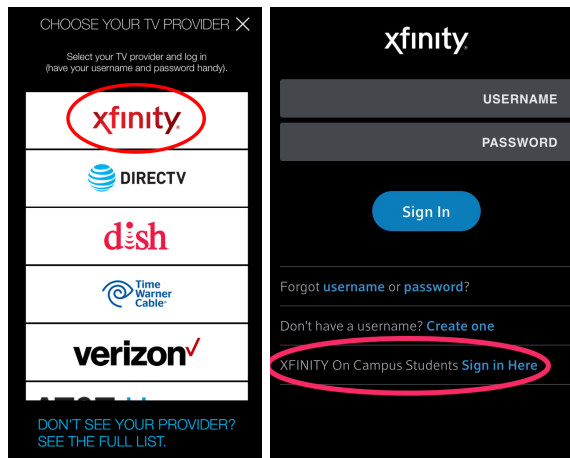

The screenshot displays the Xfinity Stream Portal interface. At the top, there are navigation tabs: "For You", "Saved", "Live TV", and "On Demand". A search bar is located in the top right corner. Below the navigation, the "All Listings" section is visible. A filter menu is open on the right side, showing various options. The "Available Out of Home" option is checked and highlighted with a red box. A red arrow points from the text in the previous block to the "TV GO" label in the listings. The listings themselves show a grid of channels and programs, with some items marked with a "TV GO" icon.

TV EVERYWHERE

- TV Everywhere provides the freedom to watch when and where you want, on the most convenient device, while on or off campus.
- *You will only have access to TV Everywhere apps and content if you or your school already subscribes to that provider's content.
- See a list of TV Everywhere apps at www.xfinityoncampus.com/apps

Logging into TV Everywhere

- After navigating to a specific programmer's TV Everywhere site or app, choose "XFINITY" as your television provider before selecting your school & logging in using your university credentials.

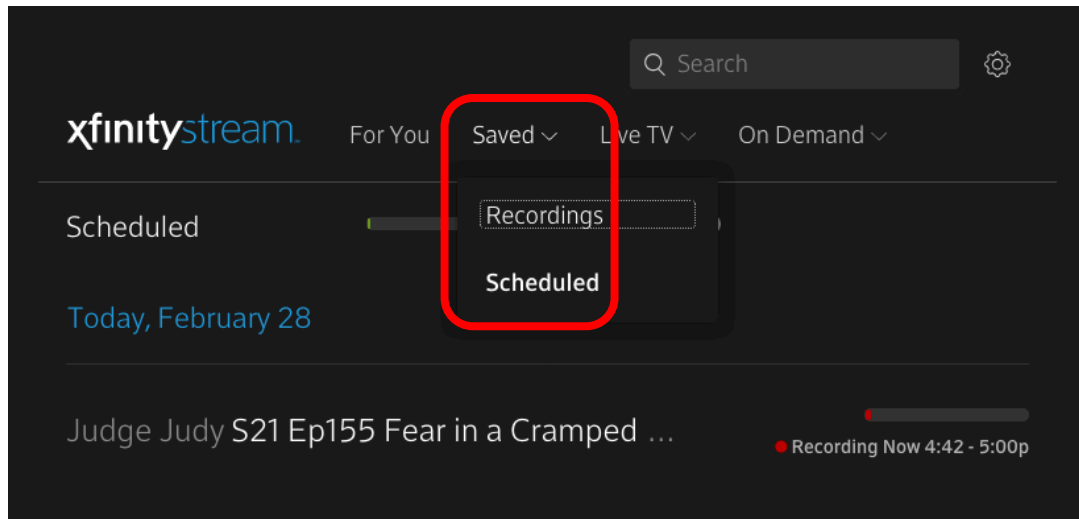

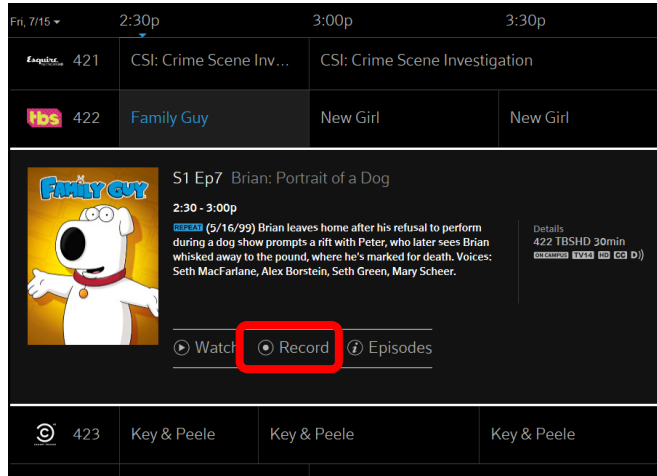

Many of these apps are available on streaming devices such as Roku, Apple TV, Google Chromecast, Amazon Fire TV, and XBOX.

DVR

Features

- Record up to two programs at once
- Up to 20 hours of DVR recordings
- Ability to download DVR recordings and On Demand programs to mobile devices
- Watch DVR recordings outside campus network
- Schedule, change, and manage recordings
- Watch in-progress DVR recordings while connected to the campus network
